## **CALL FOR EXPRESSION OF INTEREST**

### **Under Competitive negotiated procedure**

Individual Experts or companies to be appointed for performing management, coordination and visibility activities in the framework of the Black-Sea funded project: “CULTURE EXchange Platform - CULTUREXP”.

ERFC, Thessaloniki, Greece  
20/06/2014

## 1. Aim of the call

This call of expression of interest is published by European Regional Framework for Co-operation (ERFC) in the framework of the implementation of the project called “CULTUR EXP” funded by the European Commission’s Black Sea Programme.

The aim of the call is to collect the expression of interest of companies or individual experts which are willing to respond further to the detailed tender dossier (if short-listed) and bid for undertaking specific tasks for the successful implementation of the project’s activities.

Individuals or companies preliminarily interested should express their interest via either e-mail to the following address: [erfc@otenet.gr](mailto:erfc@otenet.gr) or post or by hand delivery to the following address: 33 Platonos street, P.C. 25100, Aegion, GREECE, till 21/07/2014 at 15:00. They should send a letter of interest as well as their profile with references related to the activities hereunder. Shortly after, ERFC will prepare a short list of suitable and interested companies / individuals (no less than 3) who will be invited to participate in the second step of offering their services replying to a detailed tender dossier with Annexes which will be communicated to them.

## 2. Description of activities

The experts or companies will have to undertake tasks within the following Group of project Activities (GAs): “GA 6: Visibility” & “GA 7: Management and Coordination”.

### GA 6: Visibility

Visibility activities description:

- Internal communication
- External communication

### GA 7: Management and Coordination

Management and coordination activities description:

- Liaison with external organizations
- Quality control
