

8th NESWLETTER

Regional Business Incubators' Network

Common borders. Common solutions.

23, March 2015

The BI-Net final Conference

The BI-Net Final Conference was organized on 5th of March, in Chisinau, Moldova. The aim of the event was presentation of the project results, and promotion of international cooperation between SMEs and Business Incubators.

At the conference participated representatives from project partner countries, from ministries, business support organizations, and interested SMEs.

The event was started by the welcome speech from the General Director of the Organizations for SME Sector Development, Mrs. Iulia IABANJI. She pointed that this event is one

more step towards the internationalization of SMEs: "Together with our partners from the countries of the Black Sea Basin, we can obtain results with a considerable impact. The experience of Moldova in this project has been a positive one, and the establishment of the Business Incubators in our country represents a practical tool for the development of the economy", said Mrs. Iabanji.

Ms. Speranta OLARU, project manager at the European Union Delegation to Moldova welcomed the achieved results, emphasizing their impact to final beneficiaries in participating countries: business incubators, representatives of local public authorities and business support organizations, through the estab-

lishment of regional Platform for cooperation in the Black Sea Basin, the accent being placed

on internationalization.

During the event, representatives from partner countries presented the results of the project activities, the experience in development of Business Incubators.

On the 6th of March 2015, during the conference, was organized a Business Networking Event, the aim of the event was to provide

place for match-making and facilitate the creation of long-lasting partnerships. At the event participated more 30 companies from partner countries.
