How you can spend your free time in Corfu

http://www.visitgreece.gr/en/greek_islands/ionian_islands/corfu

The town of Corfu over the centuries has received influence from the Byzantines, Venetians, French and English. All these left a strong presence on the island and left a cultural legacy that today has led Corfu to the list of cultural heritage monuments UNESCO.

So worth the visitor to spend much of his free time in a long tour through the old town of Corfu.

The island of Corfu is ideal for sea lovers, as around the island there are many beautiful beaches that one can swim or can enjoy water activities.

We are waiting to meet you soon in Corfu
